**SENATE BILL**

**No. 316**

---

**Introduced by Senator Block**

February 19, 2013

---

An act to amend Section 17075.50 of, and to add Article 4.5 (commencing with Section 32247) to Chapter 2 of Part 19 of Division 1 of Title 1 of, the Education Code, relating to school safety.

LEGISLATIVE COUNSEL'S DIGEST

SB 316, as amended, Block. School safety: door locks.

Existing law, the Leroy F. Greene School Facilities Act of 1998~~(the act)~~, requires the State Allocation Board to allocate to applicant school districts prescribed per-unhoused-pupil state funding for construction and modernization of school facilities, including hardship funding and supplemental funding for site development and acquisition. Existing law requires all new construction projects submitted to the Division of the State Architect pursuant to the act to include locks that allow doors to classrooms and rooms with an occupancy of 5 or more persons to be locked from the inside, except as specified.

This bill, *on and after January 1, 2016*, would additionally require all modernization projects submitted to the Division of the State Architect pursuant to those provisions to include those locks, except as specified.

This bill, no later than January 1,~~2015~~ 2017, would require the governing board of each school district and each county superintendent of schools, *for each of its schools*, to,~~for each of its schools~~, equip the doors of every classroom and every room with an occupancy of 5 or more persons with locks that allow the doors to be locked from the inside, except as specified. By imposing new requirements on local

educational agencies, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
